The **Polar Shades' Mega Shade** converts the most expansive outdoor living spaces into beautiful outdoor rooms! Covering up to a full 24' width and 14' height, the Mega Shade is a must-have for people who enjoy entertaining or simply want to make the most of their time outside. Our Mega Shade takes sun control to new heights. Each Mega Shade is created from top-quality fabric and includes vinyl window integration if desired. Step outside and *step into a new way of outdoor enjoyment with Polar Shades' Mega Shade!*

Coverage for widths up to a full 24' and heights up to 14'.

4.75" diameter roll tube with our exclusive interior channel construction to mitigate deflection.

The most extensive fabric selection in the industry.

Expand your horizons and your outdoor living space

with a Polar Shades' Mega Shade in your backyard. This one-of-a-kind experience will protect you from unwanted pests, heat, and UV rays, all while giving you back your outdoor living space.

The Polar Shades Way

Polar Shades Sun Control is an all-American brand. Our sales and manufacturing centers are located just 15 minutes from the famous Las Vegas Strip. We're a family-owned-and-operated business that strives to provide the best shades in the industry since we started in 1995.

We offer you the **"Best Built, Best Backed"** shades in the business!

We're experienced, we're great at what we do, and we're here to help you. Call our friendly team at (877) 260-6110.

Out With the Old, In With the View!
